About JTCLT

JTCLT is affiliated with ***Technology and Chinese Language Teaching*** (<http://www.tclt.us>), which aims to bridge the gap between technology and teaching methodology and curriculum as well as to enhance the exchange of technology-based Chinese language learning and instruction. The combination of in-depth panel discussions and hands-on workshops on up-to-date technologies on Chinese language teaching is a hallmark of this biennial conference. Over the past 15 years, more than 200 institutions from 17 countries and regions have sent over 1,000 professionals to join the conferences of TCLT.
